

BSGB Fully Online One-Year Course Rotation

The one-year course rotation is a tentative list of class availability per semester and should be used to plan out your semester schedule. Be sure to meet with your academic advisor to confirm that your class selection is progressing you towards graduation.

To stay on track and prepare for advising appointments, be sure to use your [Online Degree Audit](#) . Sign up for an advising appointment [here](#).

*Subject to Change: Departments can change the semester in which classes are offered. Be sure to cross-check these courses with the class listings on the myUNT Enrollment tile for the semester in question. You can also check with your academic advisor regarding semester course offerings.

To access course descriptions, please refer to the [Undergraduate Catalog](#).
